What Do They Cure?

The above question is often asked concerning Dr. Pierce's two leading medicines, "Golden Medical Discovery" and "Favorite Prescription." The answer is that "Golden Medical Discovery" is a most potent alterative or blood-purifier, and tonic or invigorator and acts especially favorably in a curative way upon all the mucous lining surfaces, as of the nasal passages, throat, bronchial tubes, stomach, bowels and bladder, curing a large per cent. of catarrhal cases whether the disease affects the nasal passages, the throat, larynx, bronchia, stomach (as catarrhal dyspepsia), bowels (as mucous colitis), bladder, uterus or other pelvic organs. Even in the chronic or ulcerative stage of these affections it is often successful in effecting cures.

The "Favorite Prescription" is advised for the treatment of all cases of disease—both chronic and acute—of the urinary and reproductive organs, and is especially adapted to the treatment of all cases of gonorrhea, leucorrhea, and all other diseases of the urinary and reproductive organs. It is a powerful yet gently acting invigorating tonic and nerve. For weak worn-out, over-worked men—no matter what has caused the break-down, "Favorite Prescription" will be found most effective in building up the strength, regulating the urinary functions, subduing pain and bringing about a healthy, vigorous condition of the whole system.

A book of particulars wraps each bottle giving the formulae of both medicines and quoting what scores of eminent medical authors, whose works are consulted by physicians of all the schools of practice as guides in prescribing, say of each ingredient entering into these medicines. The words of praise bestowed on the several ingredients entering into Dr. Pierce's medicines by such writers should have more weight than any amount of non-professional testimonials, because such men are writing for the guidance of their medical brethren and know whereof they speak.

Both medicines are non-alcoholic, non-secret, and contain no harmful habit-forming drugs, being composed of glyceric extracts of the roots of native, American medicinal forest plants. They are both sold by dealers in medicine. You can't afford to accept as a substitute for one of these medicines of known composition, any secret nostrum.

Dr. Pierce's Little, small, sugar-coated, easy to take as candy, regulate and invigorate stomach, liver and bowels.

MONUMENT TO ESTES.

The monument erected by the women of Nelson county to the memory of Theodore Estes, son of Sheriff and Mrs. M. K. Estes, who one year ago yesterday was shot and killed at Oak Ridge by former Judge William G. Lovins, for alleged wrongs offered his daughter Elizabeth, was unveiled yesterday in the presence of several hundred of the friends of the young man. There was no speechmaking.

Flowers in profusion were spread about the mound beneath which young Estes rests and at the base of the shaft which commemorates the belief of his countrywomen in his innocence.

No member of the Lovins family was present at the unveiling. Judge Lovins and his family, including Miss Lovins, are living in retirement on Thomas F. Ryan's Oak Ridge farm, of which Judge Lovins is the manager.

The monument was erected by subscription, and not a penny was solicited. It was the work primarily of women, Mrs. Estes, the mother of the young man, being the chief, which is erecting a monument to the memory of a living man and near the grave of a dead one.

Cured of Rheumatism.

Mr. Wm. Henry of Chattanooga, Tenn., had rheumatism in his left arm. "The strength seemed to have gone out of the muscles so that it was useless for work," he says. "I applied Chamberlain's Pain Balm and wrapped the arm in flannel at night, and to my relief I found that the pain gradually left me and the strength returned. In three weeks the rheumatism had disappeared and has not since returned." If troubled with rheumatism try a few applications of Pain Balm. You are certain to be pleased with the relief which it affords.

PROTEST AGAINST PARDON.

The action of Gov. Swanson in pardoning William O'Boyle, convicted six years ago of murdering Alma Hamilton, has aroused vigorous protest at Newport, News. Judge T. J. Barham, who presided at the trial of O'Boyle and three times sentenced him to be hanged, has given out a statement to the effect that he has never at any time recommended that the prisoner be pardoned. The judge addressed a letter to the governor last Friday, declining to make any recommendation for pardon. O'Boyle's victim was a young mulatto with whom the man had been living for several years, and who was the mother of several of his children. Because the woman had been drinking and did not pay proper attention to her baby, O'Boyle knocked her down and literally kicked her to death. A post-mortem examination revealed the fact that a double murder had been committed. Every since his conviction O'Boyle's wealthy Philadelphia friends have been working for his release.

"E. C. DeWitt & Co., Chicago, Ill.—Gentlemen—In 1897 I had a disease of the stomach and bowels. In the spring of 1902 I bought a bottle of Kodol and the benefit I received all the gold in Georgia could not buy. May you live long and prosper. Yours very truly, C. N. Cornell, Redline, Ga., Aug. 27, 1906." Sold by W. F. Creighton & Co.

BLUE AND GRAY.

The Virginia Department of the United Spanish War Veterans was formed at a meeting of the delegates from the several camps of the State held in Richmond Tuesday night. Among the many questions discussed was that of having the one organization succeed the United Confederate Veterans and the Grand Army of the Republic. The uniform of the new organization combines the Blue and the Gray. Officers of the Virginia division elected are: Dr. Gordon Simmons, of Roanoke, deputy commander; Captain M. B. Rowe, of Fredericksburg, senior vice commander; James McGraw, of Richmond, junior vice commander; Captain George B. Shackelford, inspector; Captain Geo. M. Skipworth, officer of the day; Sergeant W. N. Grubbs, officer of the guard; Thomas L. Larker, of Fredericksburg, mustering officer, and Dr. William M. Smith, of Alexandria, surgeon.

SUICIDE.

William J. Keller, sixty years old, a well-known merchant, at 2104 D street northwest, Washington, fired a bullet into his mouth yesterday afternoon in Potomac Park. Seventeenth and B streets northwest. The bullet entered the brain, killing him instantly. Last February, Keller tried to commit suicide. He had been drinking heavily.

Thomas Byrne, fifty-five years old, another Washingtonian, slashed his throat, wrists and legs with a razor yesterday evening in the P street car barn. His condition is serious. Byrne went to Washington a month ago. Since then he has been out of work. Efforts to procure employment were futile. He
